***We understand that SNARR Rescue will completely inform us of the known health history and disposition of the cat we are fostering. Even so, there are many unknowns with a rescued animal and we will be alert to health and behavioral issues that may develop while the feline is in our care. Should anything develop, we will notify the rescue immediately.**

- We do not agree

***We will notify SNARR prior to taking the cat for any vet care if at all possible. SNARR Rescue has specific clinics and veterinarians we work with and SNARR will work with us to make sure the cat is taken to the appropriate place. If we plan to pay for the care ourselves, we can take the cat to our preferred veterinarian. If, however, we are unable to reach SNARR and need to have the cat seen by a veterinarian, and expect SNARR Rescue to pay for the visit, we will take the cat to one of the clinics used by SNARR Rescue. This list will be provided to us when we begin fostering.**

- We agree
- We do not agree

***SNARR is a shelter and therefore we are able to dispense medication to our foster animals for basic things such as kennel cough, intestinal parasites, ear mites, diarrhea, pain etc. As a foster, you agree to contact SNARR for assistance with medication needs and to discuss your foster cat's symptoms with a SNARR representative. SNARR will not reimburse fosters for vet visits or purchase of supplies, medications etc. that were not approved prior by a SNARR representative.**

- We agree
- We do not agree

***We will ask the clinic for a copy of the documentation describing services rendered and costs. We will keep that documentation with the cat's records to be turned over to Courtney Bellew / SNARR and the adoptive family.**

***We understand we are not responsible for paying for vet care while the cat is in our foster care - provided we coordinate any needed care with SNARR prior to getting the cat care.**

***We understand that this foster cat (and any others) are the property of SNARR Rescue. We do not have ownership or possession rights to this cat or any others fostered through SNARR. If we decide we wish to adopt the animal we understand we are required to complete the SNARR Rescue adoption application, home visit and reference check, approval etc. If we are not approved as an adopter through SNARR, we agree to allow the cat to be adopted out or return the cat to SNARR when requested.**
